Other product charges in addition to the Total Annual Fund Charges will apply. Please see the Retirement Account Key Features and your personalised illustration(s) for details. The Total Annual Fund Charge for each fund is shown in the 'What are the Charges?' section of the illustration as 'Investment Management Charge each year'.

NOTES

1. The Annual Management Charges of a fund is the **sum** of:
 - a) the Scottish Widows Annual Management Charge,
 - b) if applicable, an External Fund Management Charge, and
 - c) if applicable, a Multi-Manager Fund Management Charge.

The Management Charges of **a), b) and c)** above cover fund management, administration, marketing and the cost of sales, and also for **c)** the multi-manager selection service.
2. The Total Annual Fund Charge of a fund is the **sum** of the Annual Management Charges detailed above and, if applicable, an allowance for any Other Expenses.

Other Expenses include, for example, trustees' fees, auditor's fees and regulator's fees. For the Scottish Widows Multi-Manager Diversity Fund, we've not allowed for any annual management fees or performance fees charged by investment trusts or certain investment companies which the fund may invest in. The allowance for Other Expenses can change on a regular basis.

If any of the Management Charges above or the Other Expenses change for a fund, the Total Annual Fund Charge for that fund will also change.
3. The Annual Management Charge is reflected in the price of each unit.
4. This leaflet should be read in conjunction with the relevant product literature, including our 'Pension Funds Investor's Guide' and any Key Features illustrations.
5. The value of an investment is not guaranteed and can go up and down depending on investment performance (and currency exchange rates where a fund invests overseas) and could fall below the amount(s) paid in.
6. Full terms and conditions are available on request from Scottish Widows. Charges, terms and limits may change.
7. We may change the selection of funds that we make available. There may be restrictions on the amount that can be invested in certain funds. Please contact us for details of any restrictions that apply.
8. We reserve the right to delay a request to sell your units in certain circumstances. The period of the delay will not be more than six months if the units to be cancelled include units which relate to a fund which holds directly or indirectly assets in the form of real or heritable property. It will not be more than one month in all other cases. This may happen in exceptional circumstances where, for example, there is an unusually high demand for units to be cashed in. For more details please see your Policy Provisions.
9. The Total Annual Fund Charges are those current at the time of going to print.
10. You can find information on current investment approaches and notification of any changes at www.scottishwidows.co.uk/investmentapproaches
